

Dear Matrix Networks,

I'm writing this letter to thank the team at Matrix, in particular Robert, Bobbie and Matt. This was one of my first office remodel projects I was coordinating by myself so I went into it with a little trepidation. Fortunately the scheduling was quick and flexible, the installation efficient and professional and when unexpected problems crept up the whole Matrix team went into action to find the solution.

The next day when I realized I had forgotten a detail or two I emailed Matt, our technician, for assistance. Matt was at my office within an hour. That's service you don't see much these days.

Going forward I won't feel anxious when the next big project falls in my lap because I know the whole crew at Matrix have got my back!

Thank you,

Jason Keller
