To Whom It May Concern,

Our company has had the pleasure of working with Matrix Networks for more than ten years. Through that time, there have been many changes in our business and they have helped every step of the way. They are always prompt to offer solutions to problems, and recommend the best way to solve any dilemmas we encounter.

It is refreshing to work with a company such as Matrix that puts an emphasis on customer service and quality work.

Sincerely,

Mike Williamson
